The Secret Life of Groceries
It is 1943 and for 10 year old Annemarie life is still fun. But there are worries too - the Nazis have occupied Copenhagen and there are food shortages, curfews and the threat of being stopped by soldiers and Annemarie's best friend is a Jew.

Not Dark Yet
INSTANT NEW YORK TIMES BESTSELLER "Russell manages a brutal originality. . . . [an] exceedingly complex, inventive, resourceful examination of harm and power." —The New York Times Book Review, Editors’ Choice
“To call this book a ‘conversation piece’ or ‘an important book’ feels belittling . . . [it] is so much more than that. It’s a lightning rod. A brilliantly crafted novel.”—The Washington Post
A most anticipated book by The New York Times • USA Today • Entertainment Weekly • Marie Claire • Elle • Harper's Bazaar • Bustle • Newsweek • New York Post • Esquire • Real Simple • The Sunday Times • The Guardian
Exploring the psychological dynamics of the relationship between a precocious yet naïve teenage girl and her magnetic and manipulative teacher, a brilliant, all-consuming read that marks the explosive debut of an extraordinary new writer.
2000. Bright, ambitious, and yearning for adulthood, fifteen-year-old Vanessa Wye becomes entangled in an affair with Jacob Strane, her magnetic and guileful forty-two-year-old English teacher. 2017. Amid the rising wave of allegations against powerful men, a reckoning is coming due. Strane has been accused of sexual abuse by a former student, who reaches out to Vanessa, and now Vanessa suddenly finds herself facing an impossible choice: remain silent, firm in the belief that her teenage self willingly engaged in this relationship, or redefine herself and the events of her past. But how can Vanessa reject her first love, the man who fundamentally transformed her and has been a persistent presence in her life? Is it possible that the man she loved as a teenager—and who professed to worship only her—may be far different from what she has always believed? Alternating between Vanessa’s present and her past, My Dark Vanessa juxtaposes memory and trauma with the breathless excitement of a teenage girl discovering the power her own body can wield. Thought-provoking and impossible to put down, this is a masterful portrayal of troubled adolescence and its repercussions that raises vital questions about agency, consent, complicity, and victimhood. Written with the haunting intimacy of The Girls and the creeping intensity of Room, My Dark Vanessa is an era-defining novel that brilliantly captures and reflects the shifting cultural mores transforming our relationships and society itself.

The Subtle Knife
“The novel that foreshadowed Donald Trump’s authoritarian appeal.”—Salon
It Can’t Happen Here is the only one of Sinclair Lewis’s later novels to match the power of Main Street, Babbitt, and Arrowsmith. A cautionary tale about the fragility of democracy, it is an alarming, eerily timeless look at how fascism could take hold in America. Written during the Great Depression, when the country was largely oblivious to Hitler’s aggression, it juxtaposes sharp political satire with the chillingly realistic rise of a president who becomes a dictator to save the nation from welfare cheats, sex, crime, and a liberal press. Called “a message to thinking Americans” by the Springfield Republican when it was published in 1935, It Can’t Happen Here is a shockingly prescient novel that remains as fresh and contemporary as today’s news. Includes an Introduction by Michael Meyer and an Afterword by Gary Scharnhorst.

I Found My Tribe
“The finest work of fiction by any American writer No American novel comes closer than Gatsby to surpassing literary artistry, and none tells us more about ourselves” THE WASHINGTON POST “A curious book, a mystical, glamorous story that’s both boisterous and tragic” THE NEW YORK TIMES “Fantastic proof that chivalry, of a sort, is not dead” LIFE MAGAZINE It’s the Roaring Twenties, and New York City is the place to be. Everything can be purchased, everyone can be bought. But, can you make money erase your past?
It's the Roaring Twenties, and it is the time of over-indulgence. As far as the eyes can see and the mind can perceive, there are ostentatious displays of wealth and even more lavish displays of decadency. Unapologetic decadency. But, does it ever stop? It's the Roaring Twenties, and the great American Dream has been perverted. It no longer stands for anything profound that resonates with people. But, does the Idealism even attempt to stop the Materialism? As more and more people lose themselves to the lure of money, ironically the only person who remains unaffected is Jay Gatsby, the enigmatic host of the most extravagant parties… In this definitive tale on American culture, Fitzgerald pits a chaste dream against the corrupting influences of wealth and comes up with an epic story that can only be defined as 'A Great American novel'.

A Curse So Dark and Lonely

Dear Edward

NEW YORK TIMES BESTSELLER • From the author of Uprooted and Spinning Silver comes the story of an unwilling dark sorceress who is destined to rewrite the rules of magic. "The dark school of magic I’ve been waiting for." Katherine Arden, author of Winternight Trilogy I decided that Orion Lake needed to die after the second time he saved my life. Everyone loves Orion Lake. Everyone else, that is. Far as I’m concerned, he can keep his flashy combat magic to himself. I’m not joining his pack of adoring fans. I don’t need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I’m probably the most dangerous thing in the place. Just give me a chance and I’ll level mountains and kill untold millions, make myself the dark queen of the world. At least, that’s what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that’s crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the Scholomance isn’t getting what it wants from me. And neither is Orion Lake. I may not be anyone’s idea of the shining hero, but I’m going to make it out of this place alive, and I’m not going to slaughter thousands to do it, either. Although I’m giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you’ve never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come. Praise for Deadly Education “The can’t-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia… . . . A Deadly Education will cement Naomi Novik’s place as one of the greatest and most versatile fantasy writers of our time.”—BookPage (starred review) "A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion’s relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the student body."—Publishers Weekly (starred review)

Darkfever

#1 New York Times Bestseller A Reese Witherspoon x Hello Sunshine Book Club Pick "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon “Painfully beautiful.”--The New York Times Book Review "Perfect for fans of Barbara Kingsolver."--Bustle For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Perfect for fans of Barbara Kingsolver and Karen Russell, Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

The End of October

In 2008, Simon Fitzmaurice was diagnosed with Motor Neurone Disease (mnd). He was given four years to live. In 2010, in a state of lung-function collapse, Simon knew with crystal clarity that now was not his time to die. Against all prevailing medical opinion, he chose to ventilate in order to stay alive. Here, the young filmmaker, a husband and father of five small children draws us deeply into his inner world. Told in simply expressed and beautifully stark prose - in the vein of such memoirs as Jean-Dominique Bauby's The Diving Bell and the Butterfly - the result is an astonishing journey into a life which, though brutally compromised, is lived more fully and in the moment than most, revealing at its core the power of love its most potent. Written using an eye-gaze computer, It's Not Yet Dark is an unforgettable book about relationships and family, about what connects and separates us as people and, ultimately, about what it means to be alive.

**The Basis for the Major 6-Part HBO® Documentary Series #1 New York Times Bestseller**

The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster. Propulsive, can’t-stop-now reading.” —Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called “the Golden State Killer.” Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. I’ll Be Gone in the Dark—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman’s obsession and her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle’s dream: helping unmask the Golden State Killer.

**Girl, Wash Your Face**

Spurred on by his encroaching blindness, prominent historian David Walker's Not Dark Yet is a frank, witty and innovative memoir that connects the small, seemingly inconsequential events of daily life to larger historical themes of family, war, patriotism, racial identity, religious belief, knowledge of the world and death. Not Dark Yet captures the elusive voice of middle-class Australia and explores the moral values and lifestyles of people who kept few written records. In taking a fresh look at historical writing, Not Dark Yet offers new ways of imagining the past and making the everyday world of homes, families, childhood and memory central to the national story. This beautifully written and generously illustrated book is both a new departure for the author and a strikingly original contribution to our literary heritage.

**Dark Money**

Sink your teeth into the first novel in the #1 New York Times bestselling Sookie Stackhouse series—the books that gave life to the Dead and inspired the HBO® original series True Blood. Sookie Stackhouse is just a small-time cocktail waitress in small-town Bon Temps, Louisiana. She's quiet, doesn't get out much, and tends to mind her own business—except when it comes to her "disability." Sookie can read minds. And that doesn't make her too dateable. Then along comes Bill Compton. He's tall, dark, handsome—and Sookie can't hear a word he's thinking. He's exactly the type of guy she's been waiting for all her life But Bill has a disability of his own: he's a vampire with a bad reputation. And when a string of murders hits Bon Temps—along with a gang of truly nasty bloodsuckers looking for Bill—Sookie starts to wonder if having a vampire for a boyfriend is such a bright idea.

**Dark Matter**

Spiced with humour, the tales of epic encounters at Clifton Hampden are told alongside more modest affairs at Lords, Headingley and Old Trafford.

**Number the Stars**

In the tradition of Fast Food Nation and The Omnivore's Dilemma, an extraordinary investigation into the human lives at the heart of the American grocery store What does it take to run the American supermarket? How do products get to shelves? Who sets the price? And who suffers the consequences of increased convenience end efficiency? In this alarming exposé, author Benjamin Lorr pulls back the curtain on this highly secretive industry. Combining deep sourcing, immersive reporting, and compulsively readable prose, Lorr leads a wild investigation in which we learn: • The secrets of Trader Joe’s success from Trader Joe himself • Why truckers call their job “sharecropping on wheels” • What it takes for a product to earn certification labels like “organic” and “fair trade” • The struggles entrepreneurs face as they fight for shelf space, including essential tips, tricks, and traps for any new food business • The truth behind the alarming slave trade in the shrimp industry The result is a page-turning portrait of an industry in flux, filled with the passion, ingenuity, and exploitation required to make this everyday miracle continue to function. The product of five years of research and hundreds of interviews across every level of the industry, The Secret Life of Groceries delivers powerful social commentary on the inherently American quest for more and the
social costs therein.

**The Curious Incident of the Dog in the Night-Time**

A New York Times bestseller! "Has everything you'd want in a retelling of a classic fairy tale." - Jodi Picoult, New York Times bestselling author of A Spark of Light and Small Great Things "Absolutely spellbinding." - Stephanie Garber, #1 New York Times bestselling author of Caraval and Legendary In a lush, contemporary fantasy retelling of Beauty and the Beast, Brigid Kemmerer gives readers another compulsively readable romance perfect for fans of Marissa Meyer. Fall in love, break the curse. It once seemed so easy to Prince Rhen, the heir to Emberfall. Cursed by a powerful enchantress to repeat the autumn of his eighteenth year over and over, he knew he could be saved if a girl fell for him. But that was before he learned that at the end of each autumn, he would turn into a vicious beast hell-bent on destruction. That was before he destroyed his castle, his family, and every last shred of hope. Nothing has ever been easy for Harper. With her father long gone, her mother dying, and her brother barely holding their family together while constantly underestimating her because of her cerebral palsy, she learned to be tough enough to survive. But when she tries to save someone else on the streets of Washington, DC, she's instead somehow sucked into Rhen's cursed world. Break the curse, save the kingdom. A prince? A monster? A curse? Harper doesn't know where she is or what to believe. But as she spends time with Rhen in this enchanted land, she begins to understand what's at stake. And as Rhen realizes Harper is not just another girl to charm, his hope comes flooding back. But powerful forces are standing against Emberfall . . . and it will take more than a broken curse to save Harper, Rhen, and his people from utter ruin.

**Where the Crawdads Sing**

"New Dark Age is among the most unsettling and illuminating books I've read about the Internet, which is to say that it is among the most unsettling and illuminating books I've read about contemporary life." - New Yorker As the world around us increases in technological complexity, our understanding of it diminishes. Underlying this trend is a single idea: the belief that our existence is understandable through computation, and more data is enough to help us build a better world. In reality, we are lost in a sea of information, increasingly divided by fundamentalism, simplistic narratives, conspiracy theories, and post-factual politics. Meanwhile, those in power use our lack of understanding to further their own interests. Despite the apparent accessibility of information, we're living in a new Dark Age. From rogue financial systems to shopping algorithms, from artificial intelligence to state secrecy, we no longer understand how our world is governed or presented to us. The media is filled with unverifiable speculation, much of it generated by anonymous software, while companies dominate their employees through surveillance and the threat of automation. In his brilliant new work, leading artist and writer James Bridle surveys the history of art, technology, and information systems, and reveals the dark clouds that gather over our dreams of the digital sublime.

**The Great Gatsby**

Soon to be a Netflix Original Series! "Wildly imaginative." —President Barack Obama on The Three-Body Problem trilogy This near-future trilogy is the first chance for English-speaking readers to experience this multiple-award-winning phenomenon from Cixin Liu, China's most beloved science fiction author. In The Dark Forest, Earth is reeling from the revelation of a coming alien invasion—in just four centuries' time. The aliens' human collaborators may have been defeated, but the presence of the sophons, the subatomic particles that allow Trisolaris instant access to all human information, means that Earth's defense plans are totally exposed to the enemy. Only the human mind remains a secret. This is the motivation for the Wallfacer Project, a daring plan that grants four men enormous resources to design secret strategies, hidden through deceit and misdirection from Earth and Trisolaris alike. Three of the Wallfacers are influential statesmen and scientists, but the fourth is a total unknown. Luo Ji, an unambitious Chinese astronomer and sociologist, is baffled by his new status. All he knows is that he's the one Wallfacer that Trisolaris wants dead. The Three-Body Problem Series The Three-Body Problem The Dark Forest Death's End Other Books Ball Lightning Supernova Era To Hold Up The Sky (forthcoming) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Letters to a Young Doctor

A transformative, euphoric memoir about finding solace in the unexpected for readers of H is for Hawk, It's Not Yet Dark, and When Breath Becomes Air. Ruth's tribe are her lively children and her filmmaker and author husband Simon Fitzmaurice who has ALS and can only communicate with his eyes. Ruth's other "tribe" are the friends who gather at the cove in Greystones, Co. Wicklow, and regularly throw themselves into the freezing cold water, just for kicks. The Tragic Wives' Swimming Club, as they jokingly call themselves, meet to cope with the extreme challenges life puts in their way, not to mention the monster waves rolling over the horizon. Swimming is just one of the daily coping strategies as Ruth fights to preserve the strong but now silent connection with her husband. As she tells the story of their marriage, from diagnosis to their long-standing precarious situation, Ruth also charts her passion for swimming in the wild Irish Sea—culminating in a midnight swim under the full moon on her wedding anniversary. An invocation to all of us to love as hard as we can, and live even harder, I Found My Tribe is an urgent and uplifting letter to a husband, family, friends, the natural world, and the brightness of life.

Not Dark Yet

A celebration of the liberating power of consciousness—a triumphant book that lets us witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of French Elle, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of The Diving Bell and the Butterfly. This book is a lasting testament to his life.

I'll Be Gone in the Dark

#1 NEW YORK TIMES BESTSELLER – OVER 3 MILLION COPIES SOLD Do you ever suspect that everyone else has life figured out and you don't have a clue? If so, Rachel Hollis has something to tell you: that's a lie. If you have ever said any of these things to yourself . . . Something else will make me happy. I'm not a good mom. I will never get past this. I am defined by my weight. I should be further along by now. . . . then you could benefit from the unflinching faith and rock-hard tenacity Rachel Hollis has in store for you. In this challenging but conversational book, Rachel exposes the twenty lies and misconceptions that too often hold us back from living joyfully and productively, lies we've told ourselves so often we don't even hear them anymore. Rachel is real and talks about real issues. More than that, she reveals the specific practical strategies that helped her move past them. In the process, she encourages, entertains, and even kicks a little butt, all to convince you to do whatever it takes to get real and become the joyous, confident woman you were meant to be. Because you really can live with passion and hustle - and give yourself grace without giving up.

for All Occasions) about a young boy who must learn to go on after surviving tragedy NAMED ONE OF THE
BEST BOOKS OF THE YEAR BY The Washington Post • Parade • LibraryReads • “A reading experience that
leaves you profoundly altered for the better . . . Don’t miss this one.”—Jodi Picoult, bestselling author of
Small Great Things and A Spark of Light What does it mean not just to survive, but to truly live? One
summer morning, twelve-year-old Edward Adler, his beloved older brother, his parents, and 183 other
passengers board a flight in Newark headed for Los Angeles. Among them are a Wall Street wunderkind, a
young woman coming to terms with an unexpected pregnancy, an injured veteran returning from
Afghanistan, a business tycoon, and a free-spirited woman running away from her controlling husband.
Halfway across the country, the plane crashes. Edward is the sole survivor. Edward’s story captures the
attention of the nation, but he struggles to find a place in a world without his family. He continues to feel
that a part of himself has been left in the sky, forever tied to the plane and all of his fellow passengers. But
then he makes an unexpected discovery—one that will lead him to the answers of some of life’s most
profound questions: When you’ve lost everything, how do you find the strength to put one foot in front of
the other? How do you learn to feel safe again? How do you find meaning in your life? Dear Edward is at
once a transcendent coming-of-age story, a multidimensional portrait of an unforgettable cast of characters,
and a breathtaking illustration of all the ways a broken heart learns to love again. Praise for Dear Edward
“Dear Edward made me think, nod in recognition, care about its characters, and cry, and you can’t ask more
of a novel than that.”—Emma Donoghue, New York Times bestselling author of Room “Weaving past and
present into a profoundly beautiful, page-turning story of mystery, loss, and wonder, Dear Edward is a
meditation on survival, but more important, it is about carving a life worth living. It is about love and hope
and caring for others, and all the transitory moments that bind us together.”—Hannah Tinti, author of The
Twelve Lives of Samuel Hawley and The Good Thief

“A beautiful love story—in its essence that's what this is. Survival stories are not about surviving, they're
inherently about what makes a survivor push through. A desire to remain in the light of all creation, even as
a darkening is taking place. A darkening which happens to us all.”—Colin Farrell

Hold the Dark: A Novel

A short, sleek novel of encounters set in the witching hours of Tokyo between midnight and dawn, and every
bit as gripping as Haruki Murakami’s masterworks The Wind-Up Bird Chronicle and Kafka on the Shore. At its
center are two sisters: Yuri, a fashion model sleeping her way into oblivion; and Mari, a young student soon
led from solitary reading at an anonymous Denny’s into lives radically alien to her own: those of a jazz
trombonist who claims they’ve met before; a burly female “love hotel” manager and her maidstaff; and a
Chinese prostitute savagely brutalized by a businessman. These “night people” are haunted by secrets and
needs that draw them together more powerfully than the differing circumstances that might keep them
apart, and it soon becomes clear that Yuri’s slumber—mysteriously tied to the businessman plagued by the
mark of his crime – will either restore or annihilate her. After Dark moves from mesmerizing drama to
metaphysical speculation, interweaving time and space as well as memory and perspective into a seamless
exploration of human agency – the interplay between self-expression and understanding, between the
power of observation and the scope of compassion and love. Murakami’s trademark humor, psychological
insight, and grasp of spirit and morality are here distilled with an extraordinary, harmonious mastery. “Eyes
mark the shape of the city. Through the eyes of a high-flying night bird, we take in the scene from midair.
In our broad sweep, the city looks like a single gigantic creature—or more, like a single collective entity created
by many intertwining organisms. Countless arteries stretch to the ends of its elusive body, circulating a
continuous supply of fresh blood cells, sending out new data and collecting the old, sending out new
consumables and collecting the old, sending out new contradictions and collecting the old. To the rhythm of
its pulsing, all parts of the body flicker and flare up and squirm. Midnight is approaching, and while the peak
of activity has indeed passed, the basal metabolism that maintains life continues undiminished, producing the basso continuo of the city’s moan, a monotonous sound that neither rises nor falls but is pregnant with foreboding.” —from After Dark

Sometimes the only thing to fear...is yourself. When reclusive writer Leonora is invited to the English countryside for a weekend away, she reluctantly agrees to make the trip. But as the first night falls, revelations unfold among friends old and new, an unnerving memory shatters Leonora’s reserve, and a haunting realization creeps in: the party is not alone in the woods.

**Hope in the Dark**

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor’s dog and discovers unexpected truths about himself and the world. Nominated as one of America’s best-loved novels by PBS’s The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

**After Dark**

"Robinson is an author with amazing empathy, a snare-trap ear for dialogue, and a clear eye for the telling detail."--Michael Connelly One of the world's greatest suspense writers returns with the 27th novel featuring the legendary detective Alan Banks in the mystery series Stephen King calls “the best now on the market.” When property developer Connor Clive Blandon is found dead, Detective Chief Inspector Alan Banks and his Yorkshire team dive into the investigation. As luck would have it, someone had installed a cache of spy-cams all around his luxurious home. The team hope that they'll find answers--and the culprit--among the video recordings. Instead of discovering Connor's murderer, however, the grainy and blurred footage reveals another crime: a brutal rape. If they can discover the woman's identity, it could lead to more than justice for the victim; it could change everything the police think they know about Connor and why anyone would want him dead. Meanwhile, tensions are rising between Banks and his friend, Zelda. A super recognizer--able to recognize faces significantly better than most people--Zelda is determined to bring the men who abused her to justice. But stirring up the murky waters of the past will put her in far greater danger than ever before, and Banks worries that he won't be able to stop her from plunging too deep before it's too late. --New York Times Book Review on Many Rivers to Cross

**The Better Angels of Our Nature**

A timeless collection of advice, operating-room wisdom, and reflections on the practice of medicine, from the “best of the writing surgeons” (Chicago Tribune). “Richard Selzer does for medicine what Jacques Cousteau does for the sea,” raved The New York Times of this extraordinary collection. “He transports the reader to a world that most of us never see, a world that is vivid and powerful, often overwhelming, occasionally fantastic.” In this collection of highly candid, insightful, and unexpectedly humorous essays, the erstwhile surgeon turned Yale School of Medicine professor addresses both the brutality and the beauty of a profession in which saving and losing lives is all in a day's work. A number of these pieces take the form of letters offering counsel to aspiring physicians. Featuring wry and witty observations on matters of life and death, medical ethics, and the awesome responsibilities of being a surgeon, Letters to a Young Doctor should be required reading for all medical students—and anyone interested in the endless miracle that is the human body. “No one writes about the practice of medicine with Selzer’s unique combination of mystery and wonder,” observed the Los Angeles Times, while The New York Times praised Selzer’s “marvelous insight and potent imagery” for making “his tales of surgery and medicine both works of art and splendid tools of instruction.”

**The Golden Compass**

Now a Netflix original film starring Alexander Skarsgard, Riley Keough, and Jeffrey Wright At the edge of civilization, nature and evil collide in what “stands out as one of the decade's best books of its kind” (Alan
Cheuse, Boston Globe). Written with “force and precision and grace” (John Wilwol, New York Times Book Review) Hold the Dark is a “taut and unforgettable journey into the heart of darkness” (Dennis Lehane). At the start of another pitiless winter, wolves have taken three children from the remote Alaskan village of Keelut, including the six-year-old son of Medora and Vernon Slone. Wolf expert Russell Core is called in to investigate these killings and discovers an unholy truth harbored by Medora before she disappears. When her husband returns home to discover his boy dead and his wife missing, he begins a maniacal pursuit that cuts a bloody swath across the frozen landscape. With the help of a local police detective, Core attempts to find Medora before her husband does, setting in motion a deadly chain of events in this “chilling, mysterious, and completely engaging novel” (Tim O’Brien) that marks the arrival of a major American writer.

New Dark Age

A Wrinkle in Time

A rich character-driven drama, addressing questions of personal morals and societal ethics, set on the cusp of a self-inflicted apocalypse.

It Can't Happen Here

Bestselling author Rebecca Solnit reminds us that activism has changed the world in remarkable ways.

It's Not Yet Dark

MacKayla Lane’s life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she’s your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac’s cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister’s killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister’s death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac’s true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . Look for all of Karen Marie Moning’s sensational Fever novels: DARKFEVER | BLOODFEVER | FAEFEVER | DREAMFEVER | SHADOWFEVER | ICED | BURNED | FEVERBORN | FEVERSONG BONUS: This edition contains an excerpt from Karen Marie Moning’s Bloodfever.

It's Not Yet Dark

'It if you are hungry for truth and beauty, read this book' Roisin Ingle, The Irish Times 'A demonstration of a will to live that is breathtaking a work of documentary poetry an extraordinary read' The Herald 'An unforgettable read about what it means to be alive' Woman's Way "The world “inspirational” is over-used, but if ever a book deserved this epithet, this is it" Sunday Independent 'Sparsely and beautifully written .. the human spirit and will to live shines out of these pages' Irish Independent A No.1 bestseller, It's Not Yet Dark is an unforgettable book about relationships and family, about what connects and separates us as people and, ultimately, about what it means to be alive. In 2008, Simon Fitzmaurice was diagnosed with Motor Neurone Disease (mnd). He was given four years to live. In 2010, in a state of lung-function collapse, Simon knew with crystal clarity that now was not his time to die. Against all prevailing medical opinion, he chose to ventilate in order to stay alive. Here, the young filmmaker, a husband and father of five small children draws us deeply into his inner world. Written using an eye-gaze computer and told in simply expressed and beautifully stark prose, the result is an astonishing journey into a life which, though brutally compromised, is lived more fully and in the moment than most, revealing at its core the power of love its most potent.

It's Not News, It's Fark

New York Times bestselling author Peter Robinson brings back Detective Chief Inspector Alan Banks and his colleague DI Annie Cabbot in a case riddled with corruption. A decorated policeman is murdered on the tranquil grounds of the St. Peter’s Police Treatment Centre, shot through the heart with a crossbow arrow, and compromising photographs are discovered in his room. Detective Chief Inspector Alan Banks is well aware that he must handle the highly sensitive and dangerously explosive investigation with the utmost
discretion. And as he digs deeper, he discovers that the murder may be linked to an unsolved missing persons case from six years earlier—and the current crime may involve some very bad, crooked cops. A pulsating, electrifying novel of suspense Watching the Dark is one of Peter Robinson’s finest novels. “Ambitious...Robinson shows a keen awareness of the global reach of crime.”—New York Times Book Review

**Dead Until Dark**

Presents a controversial history of violence which argues that today’s world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

**My Dark Vanessa**

Ideal for PET and FCE preparation Packed full of useful study extras, the Cambridge Learner's Dictionary helps you on your way to becoming a confident, natural English speaker. With clear definitions, written especially for intermediate level students, and thousands of examples that put the language into context, this dictionary is an invaluable companion, whether you are learning English for work or pleasure, or preparing for an exam. The best bits of the dictionary * NEW! Improved and expanded study pages include the innovative 'Talk' section, focussing on conversation, and how people really speak in day-to-day situations. * NEW! Word Partner boxes show how words are used together, helping you develop natural sounding English. * NEW! **The Dark Forest**

"In this propulsive medical thriller--from the Pulitzer Prize winner and best-selling author--Dr. Henry Parsons, an unlikely but appealing hero, races to find the origins and cure of a mysterious new killer virus as it brings the world to its knees. At an internment camp in Indonesia, within one week, forty-seven people are pronounced dead with acute hemorrhagic fever. When the microbiologist and epidemiologist Henry Parsons travels there on behalf of the World Health Organization to investigate, what he finds will soon have staggering repercussions across the globe: an infected man is on his way to join the millions of worshippers in the annual Hajj to Mecca. Now, Henry joins forces with a Saudi doctor and prince in an attempt to quarantine the entire host of pilgrims in the holy city. Matilda Nachinsky, deputy director of U. S. Homeland Security, scrambles to mount a response to what may be an act of biowarfare already-fraying global relations begin to snap, one by one, in the face of a pandemic. Henry's wife Jill and their children face diminishing odds of survival in Atlanta and the disease slashes across the United States, dismantling institutions--scientific, religious, governmental--and decimating the population. As packed with suspense as it is with the riveting history of viral diseases, Lawrence Wright has given us a full-tilt, electrifying, one-of-a-kind thriller"--
